Purpose: The Lompoc Mural Society's purpose is to use the visual arts as a force to revitalize, improve and enhance the Lompoc Valley's economy, to promote tourism, build community pride and through its historic past, build a cultural bridge between the past, present and the future.

*The Society's volunteer needs fluctuate! We are usually in need of Board members and Committee chairs. Some of the areas we consistently need help with are in the maintenance and fundraising arenas! Ask how you can help!

*Joining the Society does not mean you will be painting murals! The artists that paint our murals are commissioned after a professional screening process and are not necessarily members of the Society.
